Care Travel

Travel health insurance for stays abroad for up to 18 months

Insurable persons

In order to take out Care Travel international health insurance, you need to be a resident (with a registered address) of Germany at the time of departure and be no more than 74 years old. The insurance ends on your 75th birthday. Any type of stay abroad of up to 18 months can be insured.

Care Travel international insurance can also be taken out after you have left Germany.
